A DAY AT

Besides the students who ride the bus to school many prefer to drive their cars...

and some walk to school each morning

Below: Snack time is the time to grab a bite and do a little socializing

Sometimes we have visitors

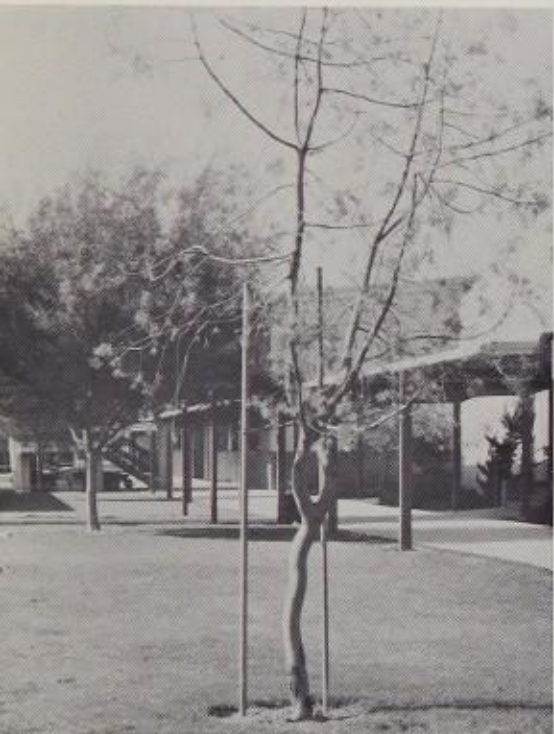

Sunshine after rain gives students a chance

to eat their lunches outdoors

After the bell, not a creature is stirring,
not even a mousy student

As the final bell rings, the uncontrollable
urge to run home begins...

A Year of Decision

It was a year of financial crisis for the Downey Unified School District.

Faced with rising costs of maintaining a program of quality education, the Board of Education went to the only source of revenue left to it, the local taxpayer, and asked the voters to approve a tax increase. Without it, the Board faced the unpleasant task of

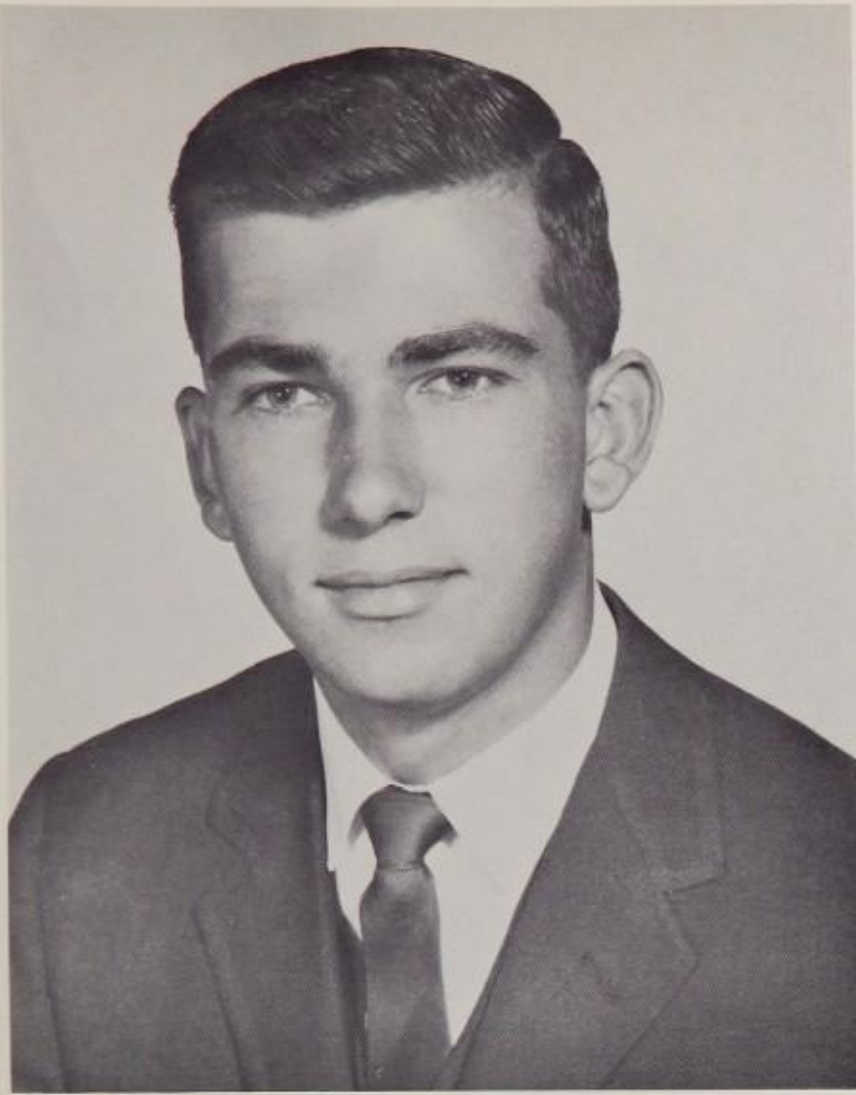

cutting back on school programs, including interscholastic sports. On the other hand, taxpayers, faced with rising

taxes each year, were not very enthusiastic about increasing their burden. On election night, September 20, the district offices were filled with students, parents, faculty, administrators and Board members, awaiting the results. As reports came in, precinct by precinct, it was clear the vote would be close. Tension mounted as the final precinct, at Maude Price School, came in with a tally of 756 yes and 563 no votes, assuring success by a margin of 173 votes. (Photo above by courtesy of John Boyd of the Southeast News.)

Shown below are members of the Board of Education with Superintendent Moore:

Seated: Dr. Charles J. Unice, Mrs. Betty Kilpatrick (clerk), Mr. Merritt Yancey (president), Mr. Joseph Davis (vice president). Standing: Supt. Bruce Moore, Mr. Lloyd Stromberg, Mrs. Grace Horney, Mr. Robert Ryan

Leadership

As my platform suggested a "Winning Era" at Downey, I proceeded to fulfill it. During my term of office, the first business was the revising of two amendments to the Constitution, which included: 1. yelling elections; 2. a limited number of valid signatures for candidates' petitions.

In the following weeks of my term in office several members of the Student Council created a fight song for our Viking athletes. Emblems for the athletic blazers were purchased, along with the athletic letter modifications. Negotiations for a football press box were begun, and a second weight machine in the process.

Continuing efforts for campus improvements were stressed greatly during second semester. The changing of Third Street into a shaded mall was one of the many improvements to create a fresher and a warmer atmosphere at Downey High. New desks and a clock were purchased to complement the student government room.

The last and probably most important event, in the eyes of the student body, was the approval of "Bermuda Day", which the first semester president and I collaborated on.

I hope that my term of office has led to a new "Winning Era" at Downey High, the School of Champions.

BOB WILLIAMS

Determined

As ASB president my major goal was to build student government into a meaningful organization. Our Council was blessed with the perfect opportunity to achieve this goal, with a stand for the tax election in September. The student body answered our call for help, and the odds against success were overcome. From that point on everyone seemed to be on our side.

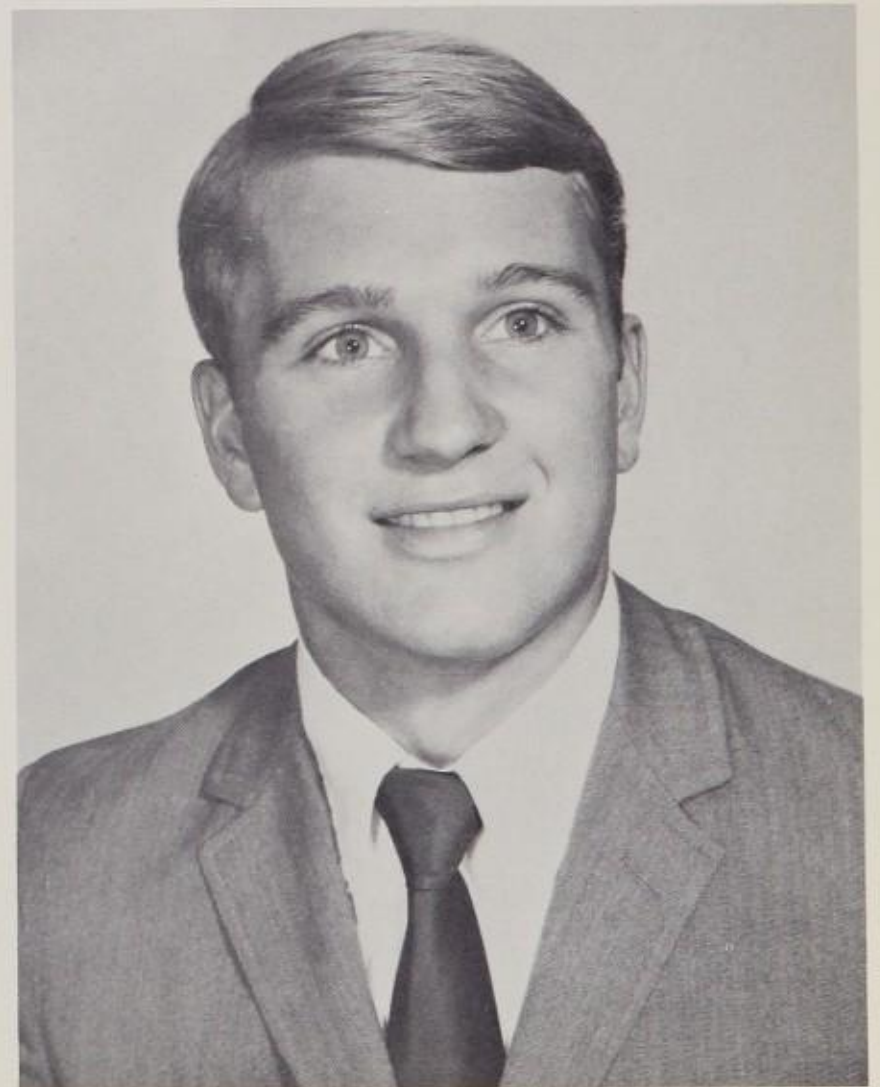

The week of October 31 brought us a step closer to our solid student government. This was Vike Week, consisting of "Clash Day", "Hat Day", "Teachers' College Day", and "Maroon and White Day". Excellent participation from both students and faculty made this activity worth while.

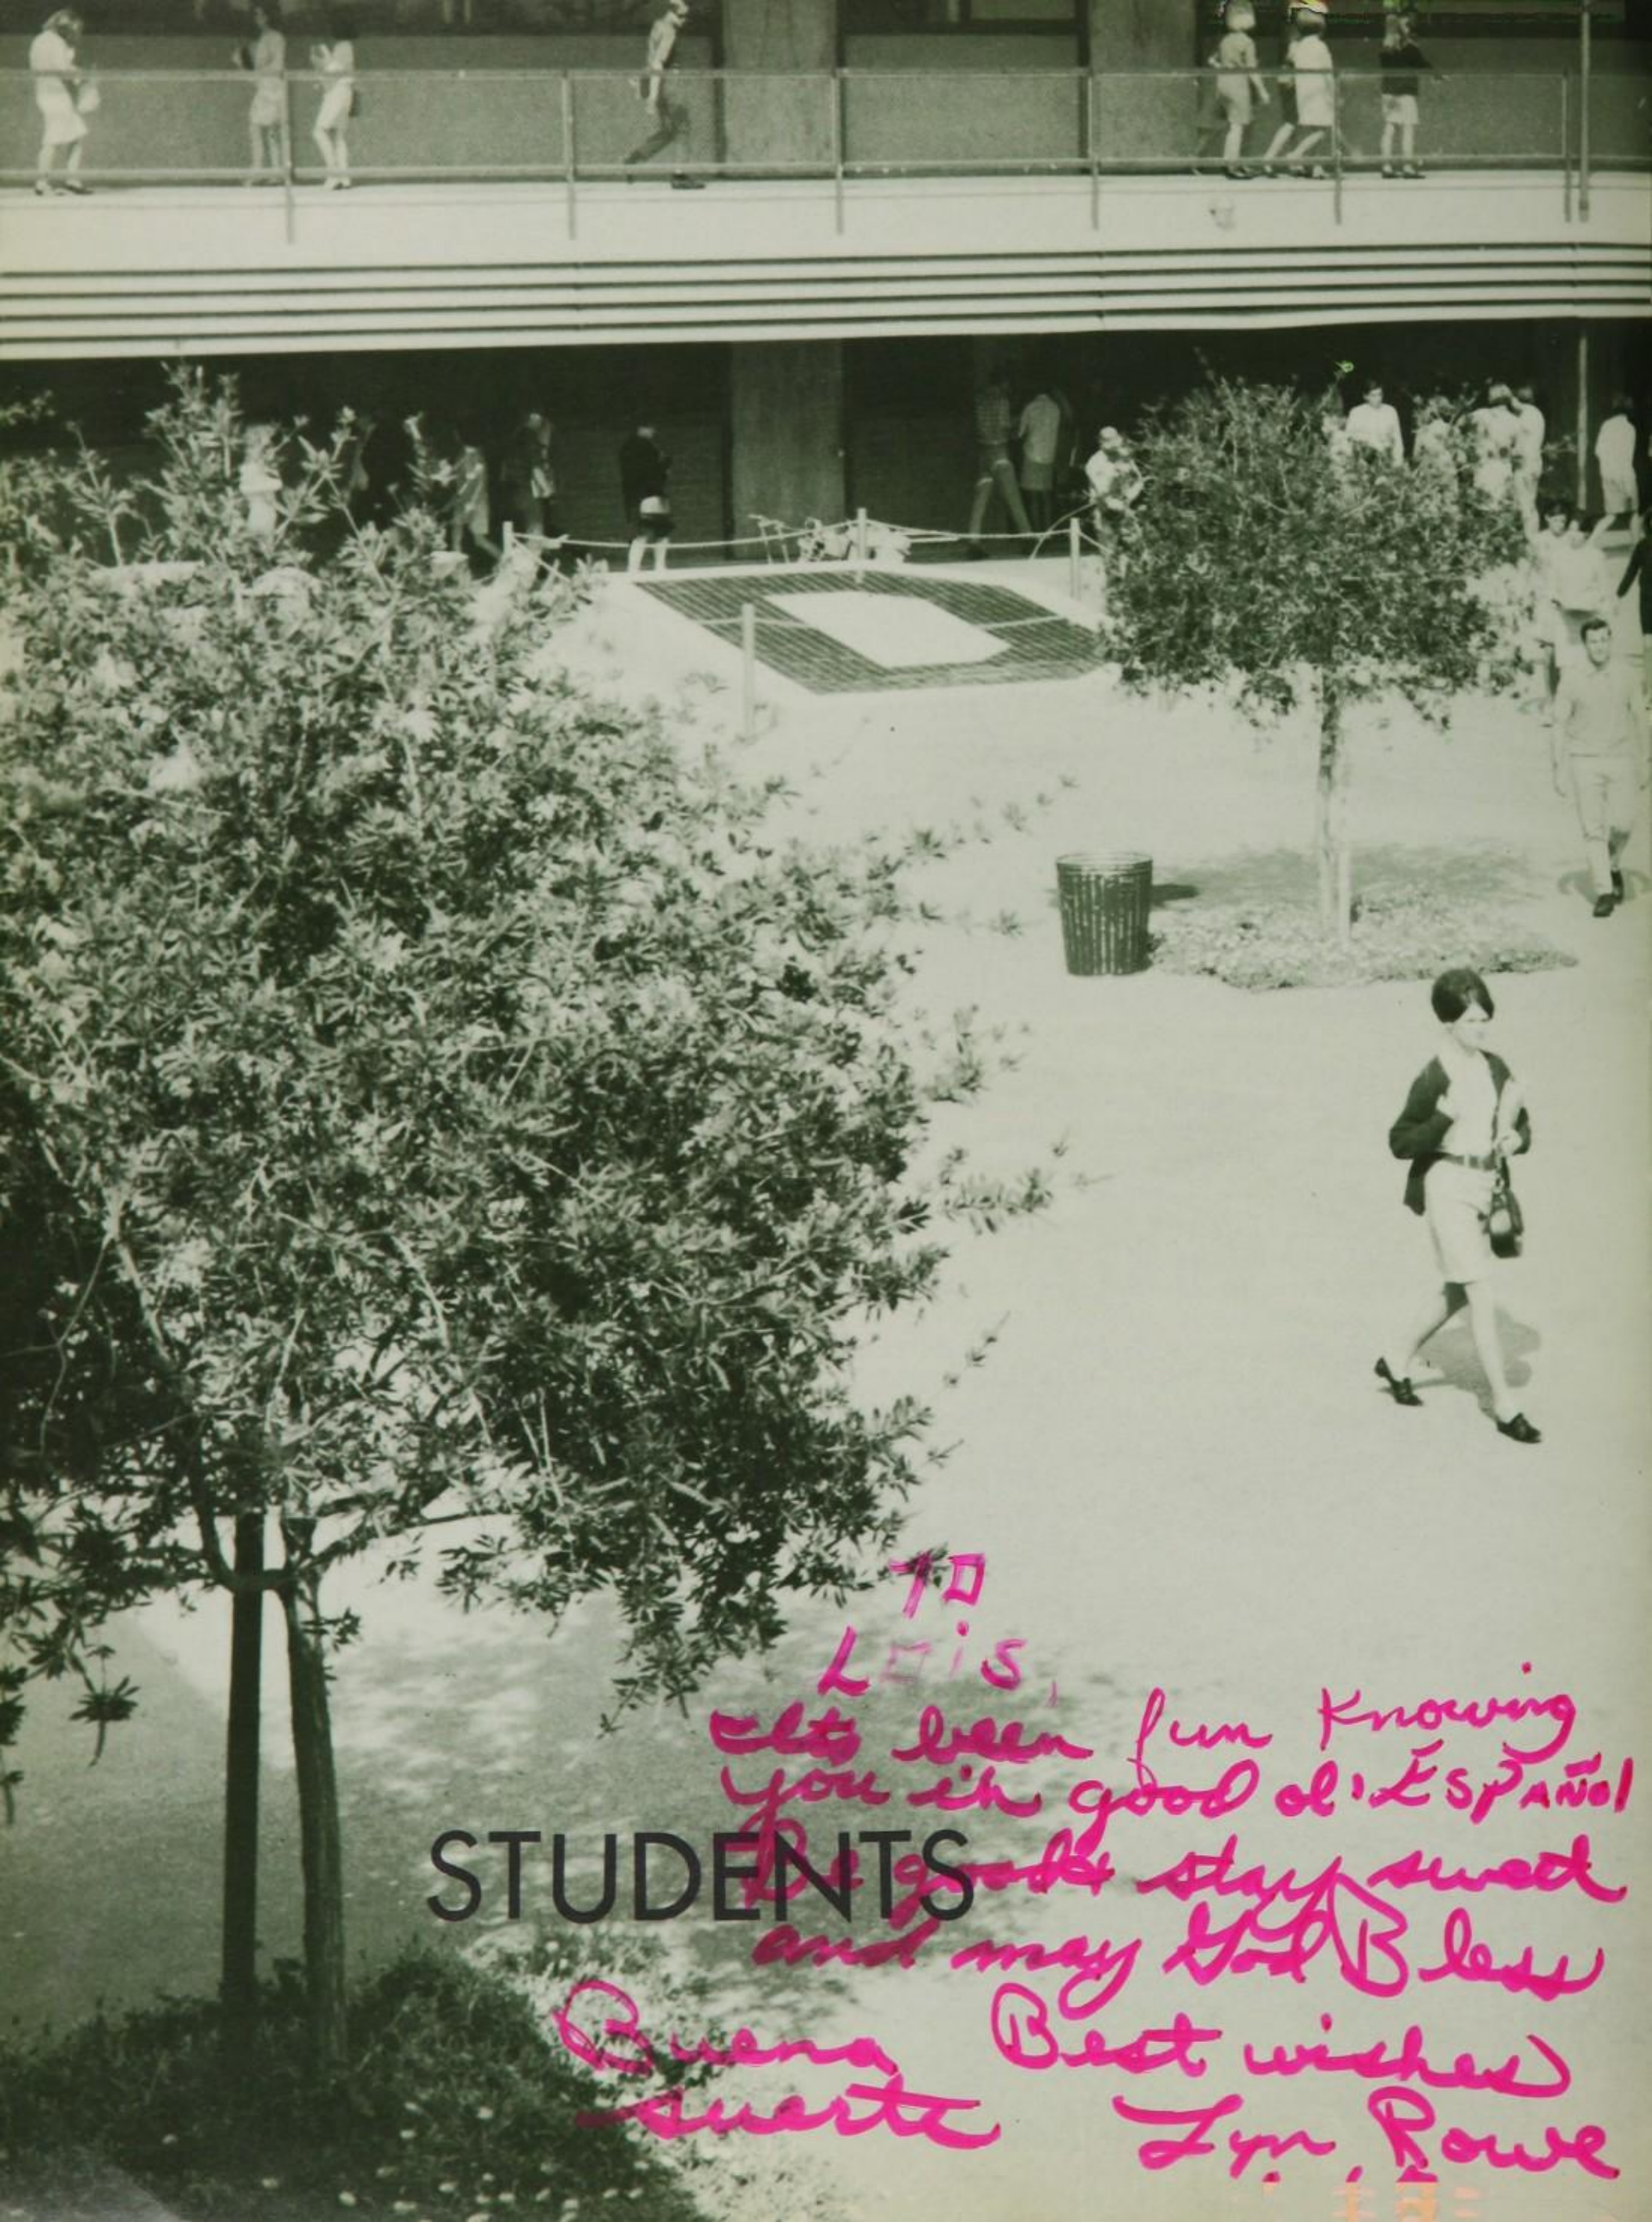

In early November we temporarily set aside our rebuilding program to prepare for Homecoming. This event, and the Coronation Ball the following night were social highlights of the first semester.

In December, Interact Club, under the authorization of Student Council, completed raising the Big D, and a campus beautification was instituted.

January found the Student Council room redecorated, and the quest for a "Bermuda Day" continued. Our first semester Student Council had its moments of unpopularity, but by our standing up to be counted we won our objective.

GOT'CHER DATE
FOR THE S A D I E

[illegible]

Traditionally, seniors are thought of as the strength and vitality of the school. After graduation they suddenly find they are no longer at the top of the totem pole, and must face a future for which they have been preparing. In the minds of most is the realization that they must now apply what they have learned in school.

The pictures on these pages illustrate some of the many aspects of Downey High's curriculum

Rick Leavitt would rather draft for Mr. Turney than be drafted

SENIORS...

Kathy Pickett is dubious about an experiment in chemistry lab

Mike Bartulis surveys the results of his blueprint in his vocational architecture

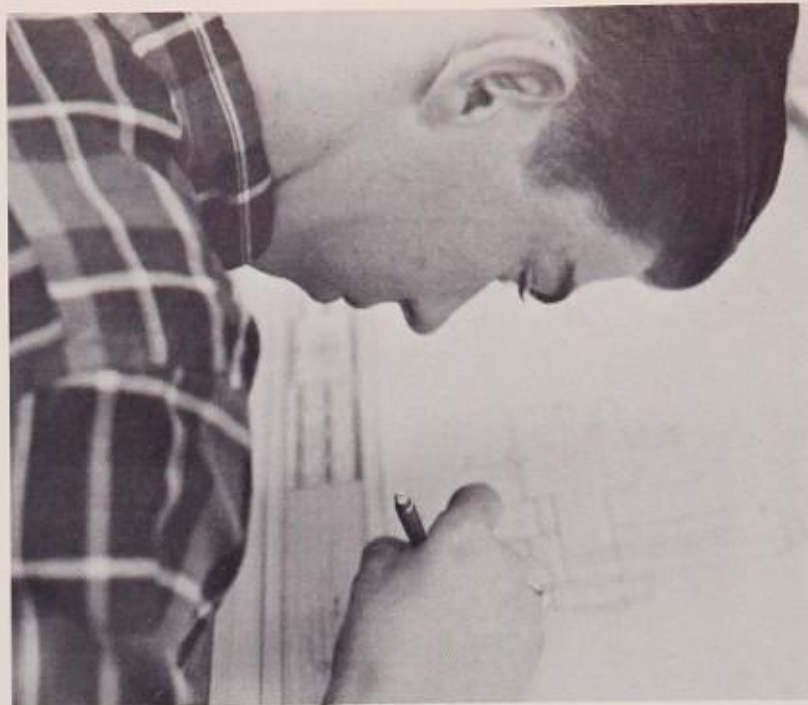

Seniors can talk over their future with Downey's helpful counselors (Mr. Hershner)

Chris Adams dreams of what the evening holds in store for her

Tomorrow's Seniors

Scholastically speaking, the junior year is perhaps the most difficult step of high school.

The dreaded class of chemistry, and the seminar-packed team teaching course challenge the juniors to work hard to uphold scholastic honors. Having made it through eleven years (for some, twelve) years of school, the class of '68 prepares to step into a new role: the leadership of tomorrow's seniors.

The pictures on this page show juniors hard at work, but for some the pressure seems just a little too much!

ADMINISTRATION &

FACULTY

They gave direction

It is the goal of the administration of Downey Senior High School to provide adequate educational facilities for approximately 2400 students.

Headed by Principal John Warren, the administrative staff is constantly trying to work for the betterment of study programs. Mr. Warren is the "middleman" between the Board of Education and the students. He displays a personal interest in every activity and event. He is especially proud of achievements of his students in competition with others.

Mr. Arden Hirschi, assistant principal of DSHS, has a long list of duties for which he is responsible. These include all disciplinary measures, school plant and work orders, and duty assignments for teachers.

Miss Helen Hall, vice principal, is primarily known as adviser to the Girls League, but she has many other responsibilities. She is concerned with girls' personal problems and behavior; she has charge of instructional materials, textbooks, inventory and ordering.

PRINCIPAL JOHN WARREN

ASST. PRINCIPAL ARDEN HIRSCHI

VICE PRINCIPAL MISS HELEN HALL

In order to give counselors the best opportunity to know each student's own problems, future plans and personal traits, each one has the same group of students, alphabetically divided, during their three years in Downey High. From the counselors, the students can get information needed about scholarships college entrance requirements and vocations.

COUNSELING STAFF: Mr. Wayne Rew, Mr. Ed Bragg, Mr. Clarence Bacha, Mr. Alfred Hemkin(registrar), Mr. Art Maurer, and Mr. Fred Hershner

and provided counsel

Counselors' clerks are Mrs. Jean Whittaker(standing)and Mrs. Thelma Ray(seated)

Keeping the financial records of our student body funds is Mrs. Mary Allard

Mrs. Ruth Ayers(left) keeps records of student grades; Mrs. Mildred Wylie is secretary to Principal Warren

Mrs. Eleanor Weatherford(standing), and Mrs. Eleanor Harman keep attendance records.

MR. CHARLES TOWNSEND
Activities Advisor

Our welfare is their concern

Known as "Mr. T", Mr. Charles Townsend stepped into the role of adviser of student activities after Mr. Charles Reeves was transferred to South Junior High School as assistant principal.

Mr. Townsend works with the Student Council in first period as their adviser. He is the only faculty member present at our assemblies. In his capacity as activities adviser he works closely with student leaders, and all student projects must have his approval.

Students who come down with severe cases of beachitis, mountainitis, or stay-at-home illness are apt to get acquainted with the office supervised by Mr. Dale Killion. He has the responsibility of enforcing attendance rules, keeping accurate records, and directing that seventh period known as detention.

CUSTODIAL STAFF

Les Williams, Stan Pletcher, Earl Viles(head custodian), Denis Forde, Fred Erikson, John Smith

In addition to keeping the rooms and campus clean, the custodial staff headed by Earl Viles helps with all of Downey High's activities.

They arrange seating for programs in the big gym; they move risers and pianos for musical programs; they provide extension cords and public address systems for dances and other programs; they do a thousand and one necessary jobs that make our activities possible.

Keeping classrooms clean may seem a routine job on the surface of things, but there are occupational hazards, according to Custodian Les Williams (left).

When he cleans the biology rooms he is not at all surprised to see a young boa constrictor wrapped around the gas pipes, or a tarantula sauntering along the wall, or a gopher snake that has ventured out of its cage.

It doesn't bother Les. He says it's all in a day's work.

The favorite part of the day for most students is lunch time. This staff of meal providers must be ready for the onslaught of hungry students at snack time, then get ready for first lunch only an hour later and then for a second group with only about half an hour in between.

It is a tribute to the efficiency of the cafeteria staff that they are always ready to serve appetizing and nourishing food to the hungry school population every day of the school year.

HOMECOMING

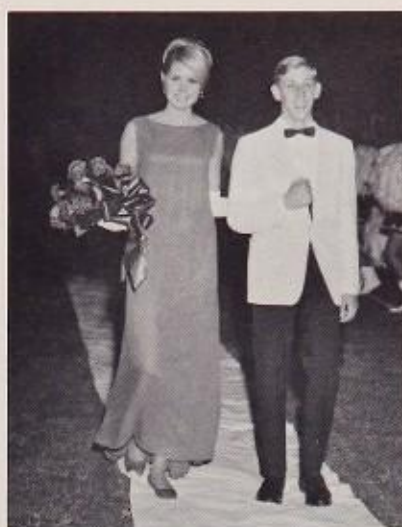

'66

The long awaited moment was drawing nearer. Cars carrying the Homecoming Royalty had already paraded around the football field before a crowd tensed with excitement. One by one the couples passed through the honor guard made up of Vikettes, stationed on either side. As the candidates for queen mounted the stage, the autumn night held a stillness. Carol Peacock, president of Quill & Scroll, handed ASB President Bill Loper an envelope containing a secret everyone wanted to know. With trembling hand, Bill tore open the envelope and read: "The 1966 Homecoming Queen is...Lynne Cooper!"

The agony of waiting comes to an end as ASB President Bill Loper reveals the secret

The royal procession begins; top---flowergirl Janna Hasson and crownbearer Patrick Lee, soph princess Janet Wood and prince Scott Davis, junior princess Sue Carpenter and prince John Maag, '65 king and queen Mike Maidl and Linda Reece; bottom--senior princess Alicia Cabarro and escort Eric Lewis, queen Lynne and escort Dick Hansen, princess Vicki Lee and escort Mike Fordis, princess Sandy Pearson and escort Marty Schlom, princess Chris Santana and escort Fred Lauzier

CORONATION NIGHT

Following the homecoming game ceremonies that saw Lynne Cooper crowned the homecoming queen, Larry Hogarth had his moment of glory at the Coronation Ball on Saturday, November 19. Larry received his kingly crown (and the traditional kiss) from Lynne at the ball, and the two led the royal dance afterwards.

Each member of the royal court received miniature gold plated footballs as mementoes of the occasion.

Let's get the show on the road...

Fall play- "LETTERS TO LUCERNE"

The time: late summer of 1939. The place: a girls' school in Lucerne, Switzerland. The story: the effect of war-induced national prejudices and emotions on nine girls of as many nationalities, caught at the outbreak of World War II in a private school in Switzerland. A Polish girl and a German boy, in love, are separated when he is called into the service of his country, and must attack the girl's home and family. The play, sponsored by Cardinal Masque, had Sheila McShane as assistant director, Melody Ashburn as the student director.

Title for October, Miss School Spirit, was won by Vicki Lee, a varsity cheerleader and member of Pep Club. Nancy Combs, formerly president of FHA, won the November title, Miss Pumpkin Pie. The title of Miss Linguist for March went to Kris Ovland, a top scholar in French. Lindsay Jones, a member of the drama clubs, National Thespians and Cardinal Masque, was chosen Miss Theatrical for the month of April. Barbara Colwell, active in GAA, was chosen Miss Physical Fitness, title for May. Selected Girl of the Year was Chris Pickett, Girls' League President, DAR "Good Citizen", CSF Sealbearer, Pep Club member, Girls State representative Les Torchères member among other things. All selections were by vote of girls in the physical education classes.

by their achievements

Bill Loper turns over the presidential gavel to Bob Williams

Hard work combined with fun was the recipe for successful Student Councils. The major accomplishment of the first semester Council came when ASB President Bill Loper rallied all students for the cause of the tax increase, as related on page 10. Other major successes are told by the two presidents on page 11. Besides special activities, many annual events were continued: Margie Tweedy worked on Homecoming, JoAnne Sellers on elections, Jeanne McClish on a clean campus campaign, Sue Brown on publicity, Jack Robinson on rallies, Rod Hust on athletic programs. Highlighting the second semester was Youth Recognition Week, with Council members actively participating by taking over city offices, attending court, and staging a parade. Bermuda Day, long sought by other Councils, became a reality, and a success; Mr. Townsend had the Council chambers re-decorated.

GIRLS' LEAGUE

Chris Pickett, the vivacious, red-haired first semester president of Girls' League, got the year started with the Campus Pal Tea, whose purpose is to introduce girls new to Downey to their Campus Pals, and to make them feel at home in their new environment. "A Date with Dad" on January 19 proved a real success for the girls and their fathers. The entertainment was provided by a barber shop quartet, the Upside Downys. Awards were given to fathers with the "prettiest legs" and to fathers with the most daughters in Downey High. Another worthwhile and meaningful project successfully carried out was the food drive for Vietnam.

D'Ann Lee, second semester president of Girls' League, had as her most important and most enjoyable project the sponsoring of the annual Sadie Hawkins dance. More than 300 couples attended this big socially popular event, recorded in pictures on pages 134-135. The theme, "Pistols and Petticoats" was carried out in western style dress, which gave wings to imagination, and brought everything from dance hall girls, cowboys and Indians to preachers.

Senior Girls Guest Night, always a nostalgic event for the girls, was held on May 10, and caused reminiscences of three years at Downey High.

Publications people

Producing a newspaper and a yearbook is not an individual effort, but requires a team of close working cooperative members to create a readable newspaper, and a yearbook that one can look back upon to recapture the magic moments lived in high school years.

On these pages are the people who worked hard to meet deadlines and compose readable publications worthy of our school. It could not have been accomplished without teamwork.

Membership in California Scholarship Federation is based on a point system, each A counting three points, each B one point. Any D or F disqualifies, even if the student has enough points. Physical education grades are not considered. Ten points are required for membership, which means that the student must have at least three A's and one B, no F's or D's. To achieve life membership, which carries the title of Sealbearer, a student must be a member for four semesters or more, one of which must be in the senior year. In addition to the 39 Sealbearers listed above, 18 more have a chance to earn the title by year's end.

Becoming a member of this honorary service club for girls is one of the most sought after honor at DSHS. The membership is limited to thirty, and is attained by a consideration of an applicant's hours of service to the school, scholastic record, and recommendation of teachers. The club takes in new members each spring to have its full membership the following fall. Tapping new members, known as neophytes, is one of the excitements of the year, as the black-uniformed girls form a solemn line until the chosen girl is surrounded.

The club was founded in 1934, and holds an annual reunion. One of its big projects is co-sponsoring, with Sword & Shield, of the Sweethearts Ball.

Normaneers service club has undergone some striking changes in the past two years. One is the change in colors and uniforms. Another is the adoption of a motto and song: "Service, Strength and Spirit," which the members strive to achieve.

Under the sponsorship of Mrs. Ruth Burris, the girls have performed many fine service projects, such as polishing the school trophies, working for the March of Dimes, collecting food for needy families, a "Toys for Tots" Christmas drive, and serving at athletic banquets.

Principal Warren accepts for the school the sportsmanship trophy to be presented to Lakewood High School.

From a chronological standpoint, Sword and Shield is the oldest boys' service club on the DSHS campus. Organized in 1953, the club adopted its name as the symbol of Viking strength and action. Membership is limited to 30 boys, with ten seniors starting each year. Five seniors and five juniors are inducted each semester. This year as usual they sponsored a beard growing contest, and co-sponsored (with Les Torchères) the Sweethearts Ball. A new project undertaken this year was the purchase of a sportsmanship trophy, donated to DSHS for presentation to Lakewood High.

They fill the bill

Key Clubbers John Yost, John Kaucher, Norm Harney, Terry Sweem, Don Nelson, with Mr. Jim Krulic, sponsor, display trophies won at Asilomar convention.

Key Club gets its name from the acronym formed by the motto of its sponsoring adult service club, "Kiwanis Educates Youth!" The DSHS chapter began its existence in 1955, but it underwent a change this year. With Mr. James Krulic as sponsor, the club adopted blue blazers with an emblem, worn on occasions when they act as hosts and guides at many school functions.

Among its services for DSHS were cleaning and painting the Big D, before it was raised, sanding and painting the football bleachers, printing and displaying posters in a "Clean Campus" week, and assisting the Vikettes and Pep Club in pre-game activities. They still found time to perform community services, such as collecting money for the March of Dimes and Cerebral Palsy, participating in Youth Appreciation Week, helping to decorate the Downey Rose Parade float, and working many hours for the Downey Volunteer Bureau. They attended the district convention at Asilomar and brought home trophies in more than half of the contests offered in their division. They plan to send delegates to the international convention in Louisville, Kentucky, in July.

Service above self

The newest boys' service club at DSHS is also one of the most active, Interact Club. It is sponsored by Rotary International, with the purpose of providing young men the opportunity to work together in a world fellowship of service and international understanding. Their motto is: "Service Above Self." Most ambitious project of the club was the raising of the Big D, as pictured on pages 4 and 5. Another was the planting of flower borders on the sides of Building D, shown in the picture at the left. Another was the painting of signs on crosswalks near all Downey schools as a safety project. Mr. Thomas Eynon, teacher of Spanish, is the club's adviser.

One of the things Alicia Cabarro of Argentina likes about Downey High is the informal atmosphere in the relationship of students and teachers, so different from Dardo Rocha, her school in Argentina.

When she returns to South America when school ends, Alicia will take with her a store of memories of her year in America, her selection as Senior Homecoming Princess, visits to Disneyland, Knott's Berry Farm, Marineland and Las Vegas. It is just such promotion of international good will that is the aim of American Field Service, which sponsors the student exchange that brought Alicia to Downey. In order that the program continue, the school's chapter of AFS sponsored breakfasts, dances, berry pop sales to raise money.

National Thespian Troupe No. 1834 busied itself this year with sponsoring "Pigtail & Bow-tie Day", a candy apple sale, and their annual semi-formal installation and initiation. They also were involved with Cardinal Masque by ushering at all their plays.

Many of this year's Thespians competed in the one-act play tournament at Pasadena Playhouse, performing in "Sunday Costs Five Pesos!" Lindsay Jones was selected as best actress of the day.

When the installation ceremony was held on May 9, Linda Monzo was announced as "Best Thespian of the Year."

with a song in their hearts

Vocal music groups at Downey High are under the direction of Mrs. Jane Walta, and consist of two groups which meet during regular class periods, and one group of volunteers. Meeting in regular class time are an a cappella choir and girls glee clubs, known as Choralettes. The volunteer group is known as the Viking Madrigal Singers, some of whom have no regular music class, but who want to take part in music programs. They meet for practice outside regular class periods.

All three groups took part in many programs during the year. Among these were a program of Christmas and holiday music on December 12, a choral festival of inspirational music at Cerritos College on March 30, a Madrigal festival at Lakewood High School, sponsored by the Southern California Vocal Association on April 28, the annual district festival held in the big gym (shown on pages 168-169), the SCVA festival at University High School on April 14, and a musical travelogue in the cafeteria on May 23.

The Choralettes sang at the PTA awards dinner, the Madrigals sang at Open House Night, at PTA meetings, and many other school programs.

Volleyball requires co-ordination

Any girl attending Downey High may become a member of the Girls Athletic Association. Each year four major team sports are offered. These include volleyball, speed-a-way, basketball and softball. Other sports becoming more popular each year are tennis, swimming, badminton, and track and field. During the year GAA sponsors many fun-filled activities. Among these are hayrides, trips to Disneyland, candy sales and car washes.

GAA members may earn points by having good attendance in each sport, participating in playdays with other schools, and by helping with special activities, and by being an officer. GAA offers a \$100 scholarship to a senior girl planning a career in physical education.

Athletic achievers

Boys in Downey High have an opportunity to engage in competitive sports, with a chance to earn a letter, almost every day in the school year. There are ten sports, with twenty-six total classifications in which they may compete. At the beginning of the fall term, there are football, with three classifications; cross-country, with two; and waterpolo, with three. In the winter there are basketball, with four, and wrestling, with two. Before these are completed, there are swimming, with three; baseball and tennis with two each; track, with three; and golf, with two.

Boys who earn letters in these sports have an opportunity to belong to the club of the sports elite, but they must meet requirements based on a point system, with a differentiation based on the classification, sports honors won (such as captain of a team, all-league honors, etc.), and number of letters earned.

The ASB constitution specifies that a boy winning his letter shall receive a chenille emblem of the coveted "D" the first time he wins in a particular sport or class. Thereafter he receives a certificate and emblem only.

Among the projects undertaken by this year's club was a candy drive to raise money for a weight machine for use of all athletes. The club also gave a helping hand to athletes in water sports by contributing money for film to take movies of the waterpolo team, which placed second in CIF competition.

Pep Club has one of the largest, if not the largest, membership of all on-campus clubs. Its purpose is to stimulate school spirit and support for the athletic teams. One new member this year to helped do this was the Big Vike(shown on page 182), who was created by Sheryl Korber and Rodger Lough.

To house the Big Vike and other Pep Club equipment, the old vacant student store was transformed into the "Pep Shack". Painted maroon and white, it serves as a headquarters for Viking vitality.

Painting signs, supplying free buses to games, decorating goal posts were among this year's Pep Club activities.

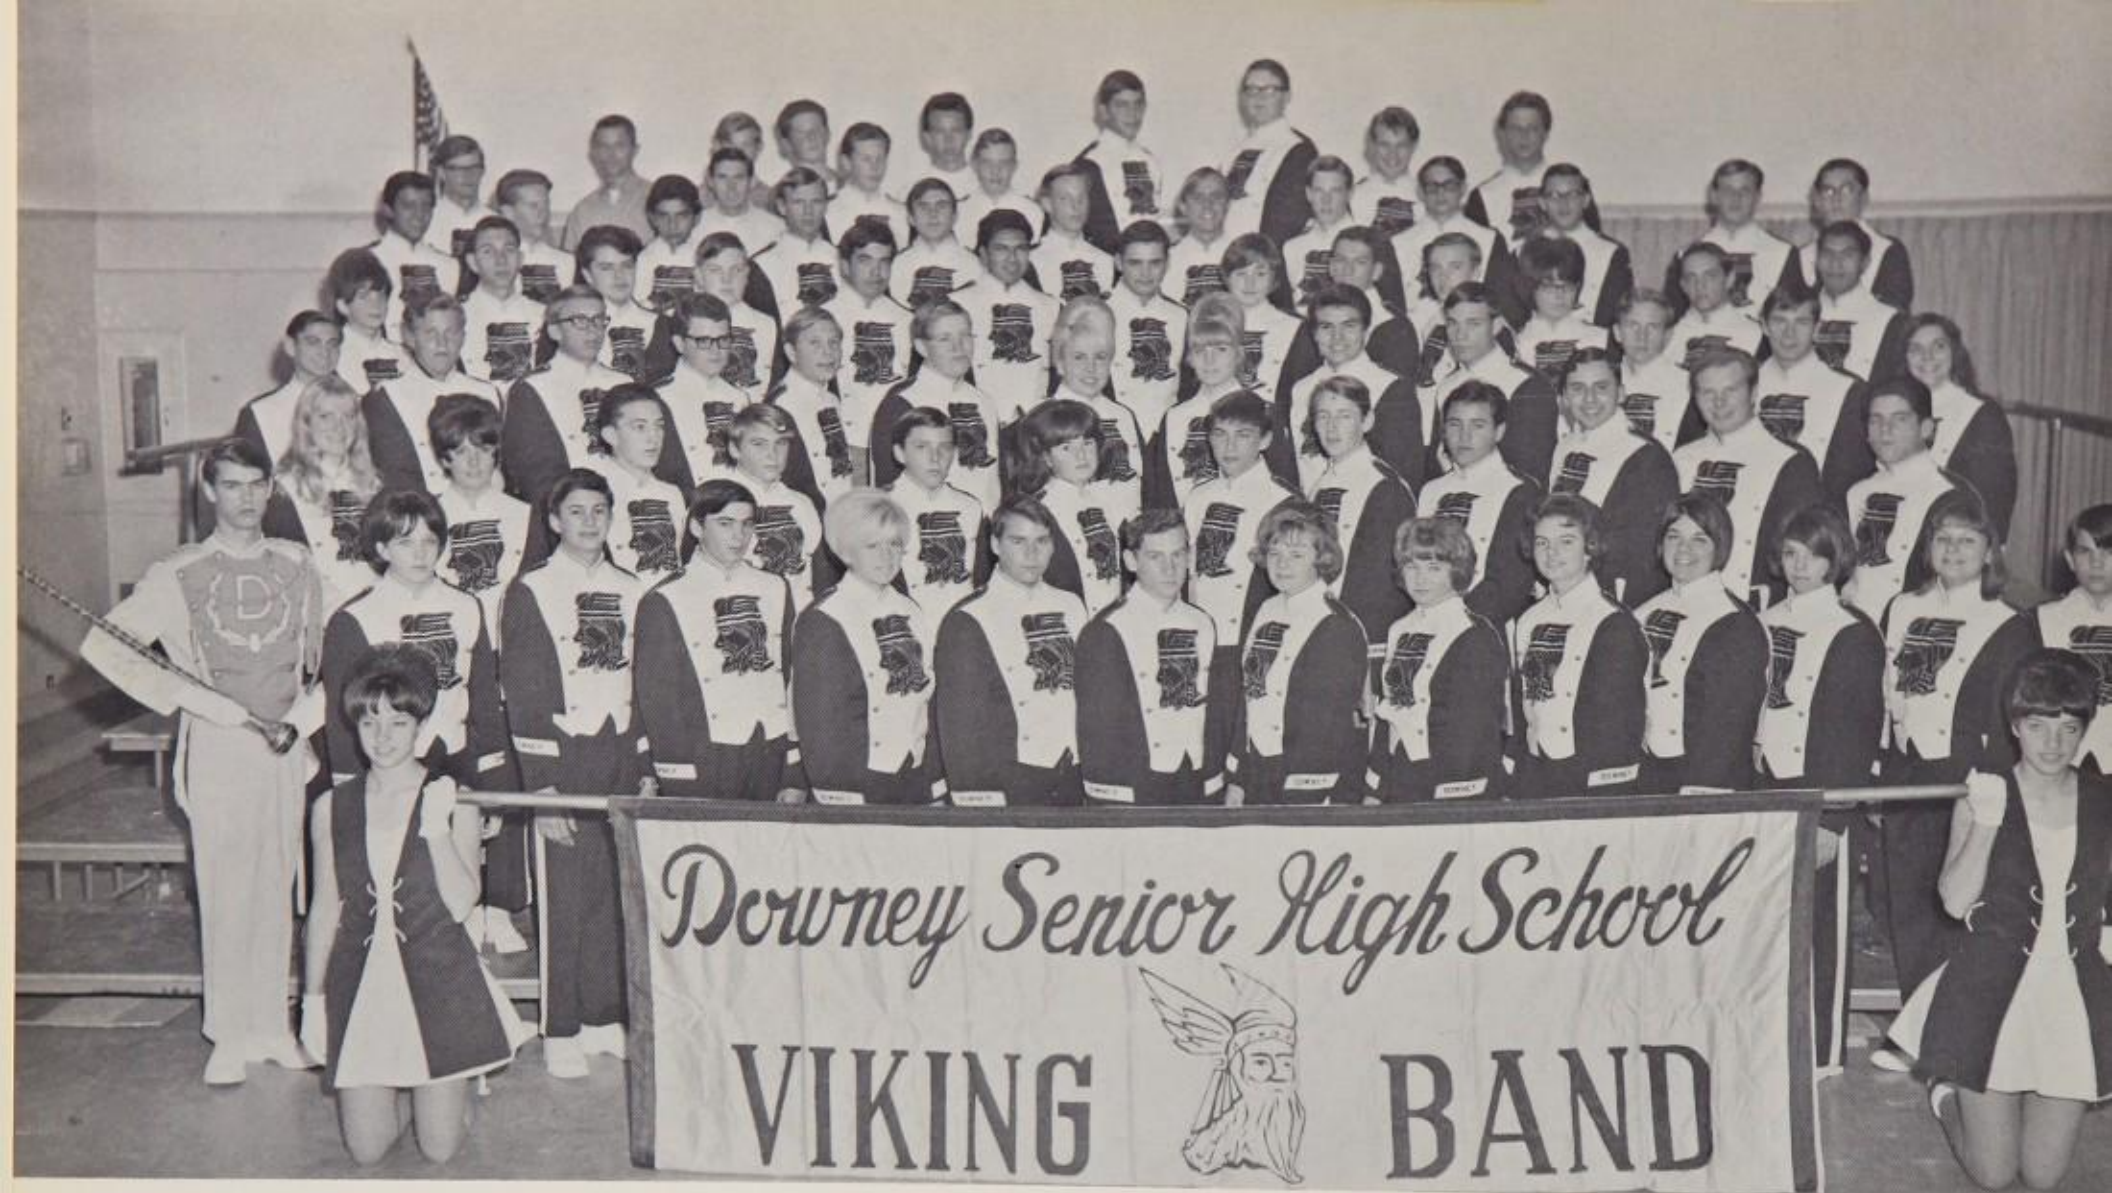

Terry Boand and Sheryl Korber were named as co-Pep Club Members of the Year.

The Big Vike, a new addition this year poses with pepsters

Each Friday during football season found a mass of students scrambling to the bleachers at Burbeck Field for a pep rally. All of the peppers worked to plan skits and other entertainment to "drum up" spirit.

Participation was great from sophomores, juniors and seniors alike. The crowds at the games were brimming with spirit, even though it was not enough to carry our team to victory always.

The Season

Three days before the opening game of the season with crosstown rival Warren, no one knew whether we would have a football team, or for that matter, any athletic teams at all this year. But late Thursday night, September 20, the voters had approved a tax increase, and the cutbacks which would have been made were no longer necessary.

In the opening game with Warren at Cerritos Stadium on September 23 the score was 7-6, Warren leading, but in the last quarter Warren's reserve strength began to tell, the Vikings collapsed, and the final score was 33-6. Late Friday night, September 30, sounds of triumph boomed from Downey's Victory Bell, celebrating the end of a long drought of varsity football success, ending the Vikes' 16-game losing streak when they defeated Lynwood, 12-6. Tim Steele hit Rod Hust with a 45-yard pass for the winning score. This was the first and last victory of the season, though. The Vaqueros of Rancho Alamitos defeated the Vikes, 19-12 in a game played at Garden Grove High. Then La Mirada edged a 14-7 victory in the final non-league game. The Moore League games saw Wilson and Lakewood win by identical scores of 52-0; Poly defeated the injury-stricken Vikes by 33-13; and the final game with Jordan, Downey's Homecoming game, saw the Vikes edged by the margin of a PAT, 21-20, ending a frustrating season.

After two touchdowns and two extra points in the triumphant final game with Jordan on November 18, the Downey junior varsity football team wound up a hard and unsuccessful season. It was a heartening victory, however, bringing a 2-7 record, and Moore League book of 1-4. The JayVikes opened the long season with Warren on September 23, and a 42-0 defeat. A week later they were edged out by Lynwood, 12-6, but showed strength and improvement in a 12-7 victory over Rancho Alamitos on October 7. Whatever promise the JayVikes had at this point was disappearing on Friday, October 14, when they lost to La Mirada, 12-0. Fumbling eight times, they deprived themselves of every chance, but the defense sparkled by repelling four successive attempts from the six-inch line. In league competition Lakewood overwhelmed them 56-6, Wilson likewise demolished them 52-0, and Millikan won, 27-7. In their final loss, Poly took a 34-6 decision, but their one touchdown was Ted McAdam's kickoff return for a 60-yd. TD. Ted was the JV most valuable player, and Mike Seeley was named lineman of the year.

Wait till next year

Downey's Bee football team had the best season of the three divisions, finishing with a respectable 5-4 record. Under the guidance of Coaches Al Bishop and Bill Pemberton, the BeeVikes began on a triumphant note by humiliating the Warren Bears, 14-7, on September 23. They lost to Lynwood, but went on to crush Rancho Alamitos, 31-14, and then La Mirada by a score of 13-6, before the opening of Moore League play. They suffered a setback when the Lakewood, Wilson and Millikan teams handed them successive defeats, but they bounded back to trap the Poly Jackrabbits by a score of 21-9. The season's success was completed on a high note when they overcame a 7-0 lead to defeat Jordan, 12-7.

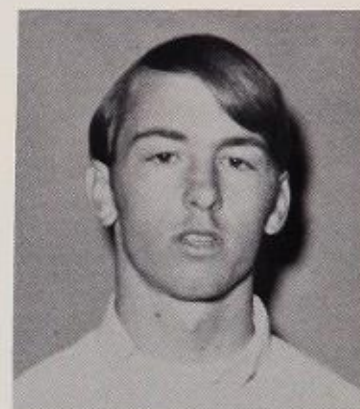

Kelly Cavanagh was the team's most valuable player, and sophomore Jim Borden was best lineman. Other outstanding players, all sophomores, include Len Galasso, quarterback, Jim Berry, Ron Brittain and Sid LeTourneau.

A penalty free throw with only 48 seconds left in the second overtime period was the margin by which Corona Del Mar's Sea Kings managed to prevent the Viking varsity waterpoloists from winning the CIF championship. It happened in the CIF finals held at Millikan High on Dec. 1. The Vikings had swept through the Moore League without a defeat, although they had previously lost to El Segundo and Corona in non-league games.

In Moore League play for the title, they opened with a victory over the Lancers of Lakewood, 15-5. They handcuffed Wilson for an easy 8-0 victory, whipped Poly, 5-2, and then swamped Millikan, 19-3. They finished with an annihilation of Jordan, 36-2.

In the CIF playoffs, they drowned the Garden Grove Argonauts, 25-2, and then easily defeated La Serna in the Millikan pool, 14-2. They met El Segundo, their previous conquerors in a non-league game, in the semi-finals, and won a revenge victory, 9-8, in an overtime session. The final game against Corona del Mar was a nip and tuck affair, and the score was tied in the end of regulation time. In the first three-minute overtime Shupp and Nourse each scored to put the Vikes in the lead, 9-7, but the Sea Kings came back for three straight goals to win.

The Bee waterpoloists started off with a fast run of five straight victories, over Fullerton, Jordan, Wilson, Fullerton again, and Whittier before losing to Corona Del Mar. They beat Newport, but lost to Wilson, defeated Lakewood, but lost a second time to Corona Del Mar. They dropped their second and last league game to Millikan, then defeated Jordan and Poly. Dave Buckley was named the most valuable player, and he and Nelson Swartley were co-captains.

Cee waterpoloists won the Moore League title again, and lost only one non-league game, to Corona Del Mar, nemesis of the Bees and varsity. In league play they beat Jordan, 8-4; Wilson, 6-1; Lakewood, 11-2; Poly, 15-3; and Millikan, 6-1. In another non-league game they defeated Corona Del Mar in a re-match. Reed Taylor was named most valuable player, and John Halas was named captain.

Both varsity and junior varsity crosscountry teams had unsuccessful seasons, the varsity winning only two meets, the JVs four, neither one winning from a Moore League opponent. The varsity lost a close one to the Warren Bears, 30-26 (low score wins in crosscountry). They won only from Bellflower and Paramount. The JVs beat Mayfair, Bellflower, Lynwood, and Paramount, but lost to Warren and all five Moore League opponents.

Mike Hageman was chosen the varsity's most valuable player, and captain; Ray Hernandez was the JV most valuable, Stan Terasaki the captain.

Hardwood heroes

Varsity hoopsters had their best season's record in several years, with an overall record of 16-11, and an even 5-5 in Moore League for third place. In pre-league play the Vikes defeated Fullerton and Centennial by large margins, then placed third in the El Segundo classic, beating Mayfair in the consolation round. In the 16-team Hawthorne Tournament Downey again placed third by overpowering Santa Clara, 79-41.

They took another third place in the Inglewood Tournament, then lost a heart-breaker to Warren, 50-48. They beat Artesia, Rolling Hills and Lynwood to end pre-league play.

Much of the credit for Downey's good season was due to Fred Zitar, captain and most valuable player, who was chosen on the All-League team, and on the All-CIF third team. He also won the Moore League scoring title.

In Moore League the Vikes beat Lakewood, 76-44; Wilson 80-65; lost to Millikan, 58-70, and to Poly, 55-65, and to Jordan, 49-51. They lost to Lakewood, 51-65, before getting back on the winning track against Wilson, 53-50. Their last league loss was to Millikan, 49-65; then they beat Poly, 59-48, and Jordan, 59-52.

Hopeful hoopsters

The junior varsity basketball team had a winning season, with a total of sixteen victories and only six losses, and a satisfactory Moore League mark of six wins and four defeats. They came out third in the Warren tournament with three victories, but lost out in the Mayfair tourney. The JayVikes MVP was Wayne Burt, and Steve Roberts was the captain.

The Bee cagers had a losing season, managing a total record of nine wins and ten losses, and a record of three victories and seven defeats in Moore League play. The Bees also finished third in the Excelsior Tournament. The most valuable player for the BeeVikes was Bob Jackson, and Craig Schock was the captain. Marty Hoelscher was the team's most consistent scorer.

The Cee basketball team had a winning overall season of ten victories and seven losses, but they had a losing Moore League record of four victories, and six defeats. The most valuable player for the CeeVikes was also their captain, Tom Black.

BILL STRUVE

Varsity wrestlers tied for second in league competition, with four victories and two losses, and an overall dual meet record of seven wins and four losses.

Since the Moore League schools do not have wrestling, Downey competes in a league composed of Warren, Lynwood, Paramount of the Coast League, and Bell Gardens of the Rio Hondo League.

After dropping the opener of league meets to Warren by 26-24, the varsity defeated Lynwood, 52-7; lost to Dominguez, 27-19; defeated Bell Gardens, 41-20; and Paramount, 40-13; and ended league competition by beating Compton, 25-21. In non-league meets they were edged by Artesia, 24-23; and El Rancho, 23-22.

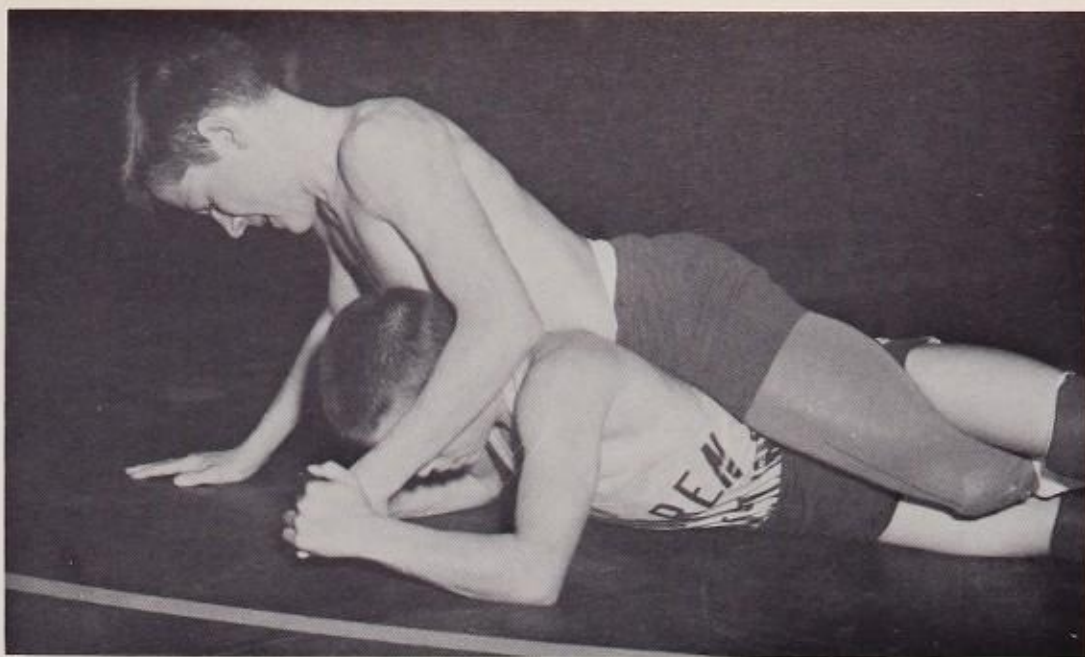

Struve defeats his Warren foe

Five varsity wrestlers went to CIF semi-finals, and Bill Struve went to the finals, only to lose in the last 20 seconds.

Bill was undefeated in league competition at 235 lbs.

Those who went to the semi-finals were Richard Kennemur(168), John Breed, (157), Don Willis(136), and Norm Harney(123).

Tom Austin scores a takedown over Warren

The junior varsity won five dual meets, lost five, and tied one. In league, they lost to Warren, 28-19; defeated Lynwood, 38-15; were overwhelmed by Dominguez, 40-3; and by Artesia, 42-10; but tied with Paramount, 22-22; then ended in a blaze of glory by beating Bell Gardens, 36-9; and Compton, 27-25. In non-league meets they beat Santa Fe Springs, 44-5; dropped to Mayfair, 32-21; then to Artesia, 42-10; but won over El Rancho, 30-17.

On land and in the air

Downey's varsity trackmen found competition difficult, winning only one pre-league meet, against Paramount, and being broken at the wheel in all five Moore League meets. Though they were unsuccessful in team competition, the spikers did come through with some fine performances.

The brightest spot of all was the performance of Mike Hageman, the Vikings' distance runner, who competed in varsity class in most league meets, but went to the Bee division in CIF, advancing to the finals in the Bee 660. In this event he set a new school record of 1:22.6.

Alan Schwerdt was a regular point getter in the hurdle events and long jump, but the strongest event for the Vikes was the pole vault, with Willie Martinez and John Breed making the best performances. Breed qualified for the CIF

The Bee track season paralleled the varsity, with the difference that they beat Lynwood instead of Paramount in pre-league meets. Like the varsity, they found victory in the Moore League out of reach. The Bees had a well-balanced team with the most consistent point getters being Jim Berry, Greg Koenig, and John Mohler.

Cee trackmen did better in pre-league than either the Bees or varsity, winning two; but they also found the Moore League competition a little too much to handle. Top Cee scorers were Craig Munson, Doug Thompson, Bob Smith and Tom Gorman.

All three Viking swimming teams had their usual successful seasons, the Bees winning the Moore League championship, the varsity and Cees taking second with only one loss to each, both to Wilson. The Bees did not have close competition in any of their meets.

Four Viking swimmers went to the CIF finals, Mike Morales winning two firsts in the Cee classification, setting a new CIF record of 1:52.6 in the 200 freestyle, and taking the 100 free with a 52.1 time. Jerry Nourse took sixth in the varsity 100 free; John Halas sixth in the Cee 100 free, and Reed Taylor sixth in the 50-yd. breaststroke. Coach Sexton named Jack Robinson most valuable player on the varsity, Dave Buckley on the Bees, and Morales on the Cees. Jerry Nourse won the Bill Sexton sportsmanship award.

Hard luck horsehidere

Baseball is a game of inches and split seconds, and as far as this year's varsity was concerned, those inches and split seconds seemed to have a habit of going in favor of their opponents.

Coach Al Bishop's horsehidere won only three of fifteen league games, but five of the twelve losses were by a one-run margin. In many cases these margins came as result of drives which went directly at an opposing fielder, instead of a few inches away from his reach; a long drive to the fences missed being a home run by a matter of but a small margin.

Rains in April caused postponement of game after game, with the result that the Vikes were forced to play out their schedule with games too close together for the pitching staff with not enough reserve.

Bill Brough and Steve Roberts carried most of the pitching load, but they usually did not get much support from Viking batsmen, especially when a hit meant a run.

The Vikes were able to get wins over Lakewood, Poly, and Wilson, but lost twice to these same teams, and three times to Millikan and Jordan.

Coach Bishop doesn't find much to be very cheerful about

Downey's varsity tennis team justified the title, "School of Champions" by winning the Moore League championship, and going into CIF play as this page went to press. Although they lost two meets, to Wilson and to Jordan, they beat Jordan for the second of three meetings in the final match of the season by the narrowest of margins, one-half a point.

Big racketeer for the Vikings was Eric Lewis(right) who swept through singles play in league without a loss. He was without doubt the best singles player in the loop.

The junior varsity tennis squad was not quite so successful, winning only two of fifteen meets.

Although the golf teams, both varsity and junior varsity, had unsuccessful seasons in team play(each won only one league meet) there was at least one bright spot in the picture. Bob Winslow was the top golfer in the individual play after the season of league play had been completed, and is shown in the picture at the left holding the huge trophy he won. Also, John Benney scored the golfer's dream of a hole in one on the 178-yard fourth at Skylinks in the individual play. The individual tournament was held over four days play at four different locations: Recreation Park, Skylinks, El Dorado, and Los Amigos.

Hi Rocky Balie,
Only 3 more days &
we're out of Hurley's room
which was so overhyped, three
years - huh? Maybe we'll leave
the luck to be in the same English
class next year, too. And, maybe
even, we see you this summer
which is going to be so fun.
See ya!
